## ::: Theatrical Makeup Kits

Actors, costume designers, and makeup artists rely on Ben Nye's superior quality for outstanding makeup creativity. Our **Creme Theatrical Kits** contain a practical product selection, perfect for basic to advanced makeup instruction. Kits are designed with generous, full-size components to provide dozens of applications for straight, beauty, aging and special effects. Select from six skin tone combinations for fair, olive or brown complexions.

## ::: Personal Makeup Kits

Professional quality and affordable pricing make our **Personal Makeup Kit** the right choice for any performer. Highly pigmented and smooth textured creme foundation, rouge, contours and lip color withstand the rigors of intense stage lighting or high-energy dance. **Personal Kits** are ideal for the professional or student who wants a practical makeup kit with assured hygiene.

## ::: Stunning Creme Stackables

Accentuate beauty or heighten F/X realism with our pre-assembled, five-color Stacks. Select from **Bruise, Burn & Age F/X, Lumière Creme Brilliant & Metallic, Neutralizer** and **Lip Gloss**. All Individual shades are now packaged in this handy, stackable container. Introducing two new F/X shades: **Bruise** and **Vein**.

## ::: Lumière Creme Colours 17 Sizzling Shades

Ultra-rich cremes produce a burst of luminescence in 17 lavishly-pigmented shades! Refillable palette contains 12 best-selling, high-energy colors. Layer with **Lumière Grande Colour** for amazing opulence. Individual pots stack for convenience.

## ::: Shimmer Crayons High-Intensity and Smudge Proof

Indescribably delicious! Shimmery, high-intensity **Silver** and **Gold** creme crayons glide on like liquid metal, then "dry" to a smudge and waterproof finish. Safe for eyes, but you'll want to use them everywhere! Available late summer.

## ::: Instructional DVD

The Classic Series: **"Makeup for the Theatre"** Expert makeup instructors clearly demonstrate the fine points of makeup artistry. Six lessons are designed for classroom instruction with detailed summaries at the conclusion of each. New on-screen makeup tips suggest updated color choices and techniques. Bonus feature: Retrospective on Ben Nye, Sr.'s makeup artistry career.
